The Decision Notice for February is not available yet.

Every month there are several applications on the register about work to be undertaken on trees with a preservation order TPO. A lot of work has been done to make many of our old trees safe . We are not notified about these applications because third party opinions are not invited. Only Ward Councillors' views are taken into account.

**S/S = Single Storey . CA = Conservation Area; CLD= Certificate of Lawful Development.**

**\*\* = To comment**
