HATCH END (BETWEEN WELLINGTON ROAD AND ANSELM ROAD)**

REVIEW OF PARKING PROBLEMS IN YOUR AREA

This questionnaire is available online at www.harrow.gov.uk/trafficconsultations, click open and closed consultations and then the appropriate scheme. By completing it online it is a more environmentally friendly and cost-effective way of informing us of your views.

It is recommended that you read the leaflet that is also available on the council website, before completing the questionnaire, as it may contain information that you are not aware of. **Due to the large number of responses anticipated all responses will be acknowledged, however, it will not be possible to provide a detailed response to all individually.**

Alternatively, if you do not have access to the internet you can complete this questionnaire and return it by post to the address in the consultation leaflet to arrive by **8th August 2018**

Questionnaires returned without a name and address will not be officially recorded in the results of this consultation. We count your household/business as one response, rather than number of responses from individual residents/employees from the same address.
