Enforcement Notices

100 Grimsdyke Road: resident reported in 2023 to Enforcement for building without planning permission but no response from enforcement at all.

The Enforcement team state that this investigation is ongoing and was previously visited by an Officer no longer at the Council. The garage conversion took place some time ago and the rear extension was rebuilt due to drainage damage. However, there are no previous planning applications on record.

ENF/0262/23 - 15 Evelyn Drive – Requires change of use for Business activity.

Garden Room being used for commercial yoga sessions. The owner claims they have been operating yoga from the site since 2012 and the Council have concluded that the use does not amount to a material change of use and due to the limited number of clients and lack of counter evidence to show that the Yoga tuition has not been in operation for in excess of 10 years on the land (this includes before the outbuilding was erected).

EN/0047/24 – 25 Sylvia Avenue – Breach is of section 2 of the 1979 Ancient Monuments and Archaeological Areas Act.

Hardstanding and fencing including concrete on and into monument. Council officers are to attend No25, on the 23rd October. Conservation are currently also liaising with Historic England on this matter and whether legally they can enforce historical breaches within the monument as well.

EN/0034/23 – 5 Wellington Avenue – non-compliant with Granted plans

Building footprint and height and windows assessed. Developer has proposed minor adjustments to make it acceptable to immediate neighbours; however, the building is still not compliant with the approved plans. The Council are still of the opinion that the owner is required to submit a full planning application for the proposed alterations: however, their agent is of the opinion that they are able to do this under a S73A application which is for a minor material amendment and sought legal advice on this. The current application PL/2122/24 therefore remains INVALID and that is why residents have still not yet been consulted.

ENF/0337/19/P - Road on Green Belt on fields lying north of Roger Bannister Rugby fields (Oli Farm – see PL/1930/24).

Enforcement notice issued for 8.2.2020 failure to comply. This has now been granted permission for an agricultural barn to be constructed.

ENF/0603/14/P – Farmland to the rear of Grimsdyke Lodge:

The S215 Notice gave them until 15.2.2019 to remedy the condition of the land. We have requested why the enforcement has not been initiated.
